Professional Summary

Award-winning sales and operations professional with extensive experience in team leadership, customer relationships, and legal services. Recognized for company-wide sales achievements, employee development, and operational management. Interested in opportunities where business experience, leadership, customer relationships, and emerging technology intersect.

Selected Career Achievements

- Earned Delta Sonic's company-wide Salesperson of the Year and Employee of the Year awards across approximately 28 locations. Consistently ranked among the company's top weekly sales performers over five years, finishing #1 more frequently than any other rank.
- Received repeated professional recognition across multiple employers, including Employee of the Month awards at Delta Sonic and Fein, Such & Crane, LLP, and consistent praise from supervisors and attorneys at Shapiro, DiCaro & Barak, LLP, reflecting sustained performance, professionalism, and commitment to exceptional service.
- Independently managed institutional client relationships with financial institutions and loan servicers, coordinating requests, resolving issues, managing escalations, and ensuring timely resolution through detailed documentation and proactive communication.
- Successfully led a team of 10–14 employees, providing hands-on leadership, training, coaching, and professional development while fostering a positive, high-performing work environment, resolving service failures, and maintaining exceptional service standards.

Highlighted Professional Experience

Delta Sonic Car Wash, Inc. Jan 2003 – May 2009

Supervisor / Assistant Manager / Customer Service Advisor

- Consistently achieved leading company-wide sales rankings through consultative selling, understanding customer needs, and developing lasting relationships with repeat customers.
- Recruited, hired, trained, and led employees, providing hands-on coaching, performance evaluations, and professional development while fostering accountability, teamwork, and exceptional customer service.
- Developed recommendations for improving employee incentive structures, sales practices, and customer service that were adopted by regional leadership, contributing to improvements in employee morale, customer satisfaction, and sales performance.
- Directed daily location operations with responsibility for employee scheduling, financial performance, cash accountability, inventory management, purchasing, and vendor relationships.

Shapiro, DiCaro & Barak, LLP Oct 2015 – Aug 2019

Foreclosure Paralegal

- Managed institutional client communications and requests within the Motions Department, applying comprehensive knowledge of foreclosure procedures, client directives, and cross-departmental workflows to resolve issues and coordinate timely follow-through.
- Conducted comprehensive reviews of transferred foreclosure files, reconstructing incomplete case histories and analyzing litigation, bankruptcy, title, service, and other procedural issues to determine appropriate actions and initiate preparation of legal filings, subject to attorney approval.
- Earned increasing autonomy and attorney trust through independent legal research, analysis of judicial decisions, and preparation of motions and supporting documentation tailored to court requirements.
- Proactively pursued cross-training across specialized departments, expanding procedural expertise and strengthening collaboration with attorneys, courts, and colleagues.

Fein, Such & Crane, LLP Aug 2013 – Jun 2015

Foreclosure Paralegal

- Researched statutes and case law, drawing on formal legal research training while preparing motions, reviewing court records, and developing supporting legal documentation under attorney direction.
- Independently handled institutional client inquiries, provided case updates, coordinated documentation and filing requests, and ensured timely follow-through on outstanding procedural matters.

Additional Professional Experience

Self-Employed May 2023 – Present

Independent Contractor — Rideshare Driver

- Independently manage scheduling, logistics, and service delivery across multiple rideshare platforms, serving more than 5,000 customers while maintaining consistently high customer satisfaction.

Lifetime Assistance, Inc. Jan 2020 – Jun 2023

Direct Support Professional

- Provided individualized instruction and direct care in day habilitation and residential settings, supporting state-mandated goals, implementing individualized service plans, and training new employees in established care and dietary procedures.

New York Bean Oct 2010 – Mar 2013

Shipping & Receiving Manager

- Managed facility-wide shipping and receiving operations, supervising personnel and overseeing order fulfillment, packaging, inventory control, equipment maintenance, and preparation and loading of outbound shipments by rail, container, and truck.
